

Presenting the Construction 2050 Alliance

Domenico Campogrande
Director General of FIEC
UNIEP Convention 2020
10 November 2020

Foundation paper in summer 2019

Construction 2050

Building tomorrow's Europe today

46 European
Organisations

Unprecedented collaboration effort

CONSTRUCTION

ALLIANCE

Our shared goals & targets

A targeted approach to construction: our unique nature requires a unique approach.

An adaptable policy framework to address the industry's transformation.

A holistic approach for coherent and balanced policies and legislation.

A strong partnership between EU institutions, Member States and construction stakeholders.

A work-programme for the Alliance – 2020/2021

Construction: the solution to Europe's recovery

The contribution of the built-environment to the EU Green Deal

The human factor in construction

Relaunching the Construction 2020 Strategy

EU Data Strategy: a construction approach

Communication Strategy of the Alliance

Public event on 2nd December 2020

The role of Construction in the national Recovery and Resilience Plans

The Renovation Wave

- European Commission –Recovery and Resilience Task Force
- European Parliament
- Member States
- Joint messages from the C2050 Alliance

We look forward to
constructive
collaboration
